August 2019

Dear Parents,

On behalf of Long Beach Central Council PTA, we would like to welcome you to the 2019-2020 school year. Long Beach Central Council PTA is composed of seven Long Beach PTA units, one for each school in the district. Alexis Pace, Vice President will be overseeing and addressing any SEPTA needs.

The Board of Education, the school district superintendent, administration, parents, teacher representatives, and of course, the children are also an integral part of Central Council. Through programs, events and meetings, Council promotes its primary objective: advocating for the academic and social and emotional welfare of the youth in Long Beach. Our organization’s purpose is to guide the PTA units and provide information, training and parent programs.

We encourage you to join the PTA unit in your child’s school and attend meetings. They are a wonderful way to share ideas and concerns. PTA needs you - and can only be as effective as our membership allows us to be. Please become involved and keep yourself informed of educational decisions occurring in the school district. In addition, we strongly encourage parents to attend Board of Education meetings as they are the best way to feel the pulse of what is occurring throughout our school district. We know how difficult it can be to find free time in our busy lives. Every unit welcomes your involvement, whether it is by attending PTA meetings, participating in workshops or joining committees!

For more information and access to each individual PTA website, visit the Long Beach School District website www.lbeach.org.

Hope to see you soon. Have a wonderful year!

Sincerely,
Tami Ackerman and Teresa McCarthy
Co-Presidents, LB Central Council PTA
