HIGH SCHOOL

STUDENT
ACTIVITIES

2019—2020
LBHS Clubs

The **Senior Class**' purpose is to promote school spirit, participation and enhance the final year of student's high school through activities deemed appropriate. They work along side the **Senior Prom Committee** which plans the prom, invitations, favors, music, etc.

The **Sophomore Class**' purpose is to have as many sophomore students participate in events to raise money, perform charity work and participate in school activities as possible.

The purpose of the **Student Government** is to work with peers, community, faculty and administration and establish spirit, harmony and representation in our school.

The **Studio Sound Recording** Club's purpose is to operate sound for Long Beach High School Band, Orchestra, Chorus and Guitar performances through the year, as well as the recording and audio editing of these performances upon request.

The purpose of the **Surf Club** is to provide an extracurricular outlet for students in the school that have a passion for riding waves and all things related to our ocean and beaches.

The **The Tide**, Long Beach High School's student-run newspaper, will keep the students, parents, and staff up to speed on all the latest events within the community.

The **Tri-M Honor Society** recognizes musical students who achieve high marks for their solo performance at the NYSSMA festival and overall participation in the school music ensemble, theory and good academic standing. To determine if you qualify for membership, please contact Mr. Capobianco.

The **World Culture Club**'s purpose is to appreciate the diversity in Long Beach High School by organizing educational, as well as recreational, activities involving our community while appreciating our cultural differences.
The **Mock Trial** team seeks a competitive group of students who challenge themselves to argue opposing sides of a case. Students simulate courtroom decorum, prosecution and defense and trial proceedings.

**Model Congress** engages in intellectual debate of mock bills emulating the function of the United States Congress.

The **Musical Production** produces a musical play on the main stage at the High School.

The **Musical Production Pit Orchestra** provides a professional quality orchestra ensemble to play as part of the High School Music Department’s Broadway Musical each year.

The **Musical Production Set Design** supports the High School musical. This club is for students interested in "behind the scenes" work.

The **Musical Production Vocal** supports the High School musical.

The **National Art Honor Society**'s purpose is to inspire and recognize students who have shown outstanding ability in art and bring art to the attention of the school and community by performing community service in the arts. To determine if you qualify for membership, please contact Ms. Presberg.

The **National Honor Society**'s purpose is to create enthusiasm for scholarship, stimulate desire to render service, promote leadership and develop character. To determine if you qualify for membership, please contact Ms. O'Shea.

Team members of the **Robotics Club** will learn the skills to fabricate and program a robot for regional competition. There are also opportunities for students to learn about computer-aided design, mechanics, engineering, and creative arts. All skill levels and interests are welcomed.

The **African American Club** enables students from diverse backgrounds to be positively involved with the African American culture and experience.

The **Anime Club** will help spread the culture of Anime while creating a friendly community environment.

The **Anti-Bullying Club** provides students with a safe space in which they can work together to create and maintain a culture of support throughout our school.

The **Art Club**'s purpose is to enrich the lives of the students by encouraging artistic expression in whatever means and medium they wish to pursue.

**ASPIRA** is a cultural club which promotes excellence through education, leadership and enrichment.

The **Automotive Technology Club** will offer students a chance to learn hands on about auto repair through experience.

**Best Buddies** is a club designed to enhance the lives of people with intellectual disabilities through one-to-one friendships.

The **Book Club** was created for avid readers who enjoy reading and analyzing literature from various genres. Additionally, the club attempts to spread the love of reading in the community.

The **Chamber Orchestra** provides a select group performing experience. **Pre-requisite:** Audition and teacher recommendation.

The **Chess Club**'s objective is to teach students patience and strategy while playing games of chess.

The **Dance Club** explores various dance styles and cultures through fun and energetic dance choreography and technique.

The **DECA Club** (Distributive Educational Club of America) is an international business association recognized by colleges that provides students leadership and communication skills for the real world. It prepares students around the globe who plan to pursue careers in marketing, finance, hospitality and management.
The Drama Production produces a dramatic or comedic play on the main stage at the High School.

The Drama Production Set Design supports the High School Drama Production. This club is for students interested in "behind the scenes" work.

The Echo Yearbook Club is a group that gives students experience in print media publishing by creating a memorable school yearbook. Being in the Yearbook Club allows students experience in photography, computer design and creative writing that combines to create a yearbook that captures the memories of the school year. Members attend school events, club meetings, sports games and other activities to take photographs. The club then produces, distributes and sells the final product to students, staff and administrators.

The Fashion Club explores current and past trends in fashion to understand the impact on society. The club works to design local stores' window displays, promote fashion awareness throughout the building, and build a sense of community through a shared love of style.

The purpose of Fragments is to exemplify writing excellence and versatility along with a plethora of multifaceted visual arts medium to be distributed in the Long Beach community.

The Freshman Class' purpose is to have as many freshman students participate in events to raise money, perform charity work and participate in school activities as possible.

Gay/Straight Alliance (GSA) provides a safe, accepting environment for LGBTQIA+ students and their friends at Long Beach High School.

Herstory's mission is to give a voice to people whose stories have been silenced and to change attitudes, policies, and lives while creating a powerful body of new grassroots, community-based literature.

HOPE (Helping Our Planet's Environment) will encourage teamwork, friendship and making a difference in our community while promoting environmental awareness.

Jazz Ensemble provides students of the music program with a jazz education experience.

Jazz Ensemble II will teach students to play various styles of jazz including Swing, Be-Bop, Latin, Funk, Rock and R&B. Students will be introduced to beginning improvisational concepts.

The Junior Class' purpose is to have as many junior students participate in events to raise money, perform charity work and participate in school activities as possible.

The Key Club provides members with the opportunities to provide service, build character and develop leadership.

The Math Team fosters an appreciation of mathematics to solve higher-order math problems using critical thinking skills. Many of the students travel to local math tournaments where they compete with students from other schools.
