SPRING BEACH WALKS

**Thurs. April 21, 2022
10 a.m. - 11:30 a.m. or
Fri. April 22, 2022
10 a.m. - 11:30 a.m.**

Come and explore the beautiful sandy beaches of Long Island's South Shore with us! We'll look for marine creatures that call the salt marsh and barrier beaches home and learn some fun facts about them. Make sure to dress for the weather and wear shoes that can get muddy/wet as we'll be walking outdoors for 1.5 hours.

\$25/child - tickets are limited and must be purchased online before the walk. This is a drop-off program and we will spend most of our time outside. Masks are required indoors!

MARINE SUMMER FIELD TRIPS

The Marine Summer Field Trip Program is a collaborative effort between Cornell Cooperative Extension of Nassau County (CCE Nassau), New York Sea Grant, and the New York State Department of Parks, Recreation and Historic Preservation at the Jones Beach Energy and Nature Center.

These **day-long** marine field trip experiences feature a variety of activities surrounding marine science and coastal ecology to supplement your youth summer program! Students will have the opportunity to use a beach seine, identify wildlife, discover the dunes, and so much more!

Each session will be from 10:00am to 3:00pm

Please contact nassaucounty4h@cornell.edu for available dates.

Location:

**Jones Beach Energy & Nature Center
150 Bay Parkway
Wantagh, NY 11793**

This program is available at no-cost to qualifying youth organizations thanks to the generous support of CCE Nassau, NY Sea Grant, and the New York State Department of Parks, Recreation, and Historic Preservation.

Transportation Assistance Available through the Connect Kids to Parks Program.

For questions or to register, please contact us at nassaucounty4h@cornell.edu
