## FEBRUARY BREAK PROGRAMS

# MARINE REPTILES AND THEIR LAND-BASED BUDDIES!!!

**Tues. Feb. 21, 2023 or  
Fri. Feb. 24, 2023**

**9:30 a.m. - 11:30 p.m. Ages 6-8**

**1 2:30 p.m. - 2:30 Ages 9-12**

Discover what makes a reptile a reptile and what adaptations these creatures have to help them survive in some of the world's most unique environments. Reptiles from marine environments are covered, along with some of their terrestrial counterparts.

Live reptiles that we will have for petting ma include a ball python, corn snake, bearded dragon, leopard gecko, red-eared slider, and a diamondback terrapin. We will have preserved reptile artifacts. Make a cold-blooded critter craft to bring home!

**\$33/child - tickets are limited and must be purchased online before the program.**

**This is a drop-off program.**

## SPRING BEACH WALKS

**Tues. April 4, 2023**

**1 -2:30 p.m. or**

**Tues. April 11, 2023**

**10 a.m. - 11:30 a.m.**

Come and explore the beautiful sandy beaches of Long Island's South Shore with us! We'll look for marine creatures that call the salt marsh and barrier beaches home and learn some fun facts about them. Make sure to dress for the weather and wear shoes that can get muddy/wet as we'll be walking outdoors for 1.5 hours.

**\$27/child - tickets are limited and must be purchased online before the walk. This is a drop-off program and we will spend most of our time outside.**

## MINI -MARINE BIOLOGIST PROGRAMS

**Sundays 10am-12pm**

**Feb. 26, 2023- Arctic Animals**

Explore the frozen world of creatures that call the Arctic and Antarctic home. How do they do it! Make a cool craft with your preschooler to take with you!

**Mar. 26, 2023 - Sensational Sharks!**

Explore the biology and ecology of these fascinating creatures, and learn about conservation efforts to save these misunderstood predators. Touch shark jaws, eggs, teeth, and other artifacts as you learn some fun facts about these top oceanic predators. Make an awesome shark craft to take home!

**April 16, 2023 -Fishy Facts**

Come explore the world of fish in this interactive program and make a fun, fishy craft with your child to take home!

**Jr. Marine Biologist -May 7, June 11, Aug. 20**

Looking for a unique way to spend time with your preschooler? Join us for a fun-filled two hours as you and your child learn about the marine environment. This very special program includes hands-on time with live marine animals, beach activities, and a craft. This is a great way to introduce your child to marine ecology!

**Cost/Per Program date:**

**\$27/child and 1 adult (each additional adult is \$5)**

**Space is limited and tickets must be purchased online before the program.**
