I. Pledge/Call to Order/Opening Remarks - President Tangney
President Tangney called the meeting to order at 7:39 PM and led the community in the Pledge of Allegiance.

II. Report of the Superintendent - David Weiss
- Presentation - Grade 3-8 Assessments - Dr. Kenneth Graham
  Highlights include: NYS Performance Levels, ELA and Math scores by grade, Regents scores, Other Measurements of Performance, NWEA results, and Action Plans. Parent Academy will take place on Oct. 21 @ Lido School at 7:30 PM. Presentation is posted on-line and in the office of the District Clerk.

III. Board of Education Comments
- Board Member Ryan was disappointed with outcomes in context of costs; questioned the AUSSIE consultants effectiveness; supports literacy coaches; questioned Director model for helping elementary schools; commented on correlation between NJ HS students and test scores; parents are being misled on achievement; credits the quality teachers and not programs with effective learning; mentioned 1st grade aides at budget time; not happy with scoring relative to the county considering the costs.
Board of Education Comments (continued)

- Vice President Mininsky asked why the Directors are ineffective on the elementary school level and if the MS scores are poor, why there are so many NJ HS students.
- Board Member Ryan stated that he was not claiming that the Directors were not working, just discussing fair share. Noted gender difference in performance; girls over boys 3-1 in NJ HS; asked what needs to be done to encourage boys to perform better. Asked what percentage of our students opted out of testing (4% elementary, 12% math, 9% ELA). Superstorm Sandy trauma still exists but hopefully will lessen over time.
- Board Member Vrona wants performance standards to improve; love SRI reports for MS students; was not sure if HS and/or elementary school parents received them; questioned the necessity of a waiver for opting out of 1 of 2 8th grade math tests (yes for math; no for science); what percentage of students do not have access to computer (unknown); RASS - on line reading.
- President Tangney asked how the District is encouraging parent involvement for the Parent Academy; discussed computer, buses.

IV. President Tangney called for Questions and Comments from the Public on Agenda Items Only

- Joanne Rea – 90 Connecticut Avenue – thanked Dr. Graham for his presentation; expressed concern about learning/teaching Common Core to students at home; asked if there was training for parents/guardians. (Parent Academy is focusing on homework on Oct. 21).
- Dale Greensetin – 522 W. Olive Street – former MS teacher – loves the Parent Academy but not that parents do not attend; teachers cannot do it alone; District should consider offering a meal; although the discussion has been going on for years, teachers need Directors; supports math coaches; important to continue to spend money on students.

V. Student Organization Announcements

- Brandan Persaud – LBHS Representative – 132 E. Fulton St – Homecoming is this Friday, thankful for the additional planning time it doubled the amount of clubs participating and will increase monies; Senior Week this week; will continue with Halloween collection; November 15 is Blood Drive – all are invited. Last year school won $500 for participation.
