III. President Lester called for Board of Education Comments

- Board Member Vrona – will taxes go up (1.6% levy)
- Board Member Ryan – thanked Mr. Romanelli on James and the Giant Peach. Ten special ed teachers at Lindell and 9 special ed teachers at West with only 3 special ed teachers at Lido causes concern about equity; Lido has lots of space with specially designed rooms; reduction of .1 special ed and .2 special ed; how does second grade swimming program cost $92,000 (phys ed teachers); are they life guard certified (no); is it efficient; any budget increases for summer school and NIKE (same program); is number for BOCES stable (yes); are budget on-line; how do you calculate fuel costs (stable prices); tuition has increased, any state reimbursement (no); are guidance counselors and teachers from REACH paid for by grant or our budget line (ours- contractual expenditure); requested information regarding their accountability; thanked Superintendent for permanent subs at elementary schools; is Saturday Morning program serving a function needed by the community (enhancing offerings).
- Vice President Mininsky questioned change order on Administration Building since Board only agreed to spend a certain amount of money; where is the money coming from (using 100s wing money).
- President Lester asked if the tuition increases were due to HALB (not solely; more special ed students); looking a big increase – looking at BOCES – special ed, too (yes); do you know the number of students in each elementary school (380-409).
- Board Member Vrona thanked Mr. DeVito on amazing job being clear and concise.
- Dr. Ryan is disappointed that HS does not produce a hard copy of the newspaper; students who spoke tonight could have their pieces in the paper; making a pitch for some kind of hard copy student newspaper; blogs are okay but do not replace a tradition paper and all of the skills utilized in producing it.

IV. President Lester called for Questions and Comments from the Public – Items on Tonight’s Agenda Only

- Keith Harvey reminded Board about air conditioning in each school as per their request; state aid confusion; (significant increase in state aid last year – waiting for state budget for this year).

IX. Questions and Comments from the Public
• Matthew Adler – 410 E. Broadway – are there going to be any costs/ramifications as a result of the rejection of the change orders (don't know or lawsuit).

XI. Announcements
1. Long Beach Classroom Teachers’ Association – President Harvey congratulated retirees, students on her story, unfortunate that the district has canceled the last three negotiation meetings; that is the definition of negotiating in bad faith, however, that is not the intent; hope return to negotiations (district preparing numbers for the BOE); LBCTA hosting a spring event, Paint Nite, on April 15, all proceeds go to charities that support families coping with childhood cancer.
2. Administrative, Supervisory and PPS Group – President Epstein congratulated retirees, wonderful people, nurses are amazing in a quiet way; understand frustrations with change orders but administration building needs to get done; they need to be held accountable.
3. LBSEA Long Beach Employees’ Association – Group C – President Joanne Rea congratulated Mr. Malone, congratulated retirees, will miss Carol Henck, enjoyed presentation of students.
4. Parent/Teacher Association – Co-President Gerri Maquet congratulated students on their writing, nice to showcase them, pride in the parents and students,
thanks, congratulations to retirees and Mr. Malone, Ms. Henck. Test prep reminder – last year science review classes were overflowing from the start, kids were turned away on the first day, requesting pre-thought. What is the outcome of the Algebra Regents (answer soon); incredibly frustrated and enraged with regard to the change order but appreciates your vote.
