**District Literacy Initiative Presentation**

Introduced by Dr. Vincent Butera and presented by Josh Anisansel, Bill Richardson, Sandy Schneider, Brenda Young, Ronni Reimel, Karen Sauter, and Jan Donaldson. Topics included: Balanced Literacy, Literacy Block, AUSSIE, Assess-Plan-Teach-Assess, Grade-level Expectations, Mini-Lessons, Active Involvement, Small Group Instruction, Guided Reading, Leveled Libraries, AUSSIE’s Coaching Model, Additional Support and the Middle and High Schools. Presentation is on file with the District Clerk.

**III. President Ryan called for Board of Education Comments/Questions.**

• President Ryan thanked the presenters and asked whether the teachers liked program, whether the students liked the program, and if the students were becoming more independent readers and better writers. Dr. Butera indicated that the teachers reacted positively, the students seemed more engaged and that improved performance is expected.

• Vice President Gallagher questioned whether AUSSIE was a specific program and asked about its advantages over other programs. Dr. Butera explained that AUSSIE uses our own materials and staff members and represents true differentiated instruction.
President Ryan called for Board of Education Comments/Questions (continued)

- Dr. Ryan preferred AUSSIE, an in-house model, to the Columbia model where teachers leave the District to attend training.
- Mr. Gallagher is concerned about Middle School; this was a K-5 presentation.
- Board Member Lester questioned what the Chinese were doing since they are performing much better than we are in testing. Dr. Butera explained his confidence in the AUSSIE program because it deals effectively with the individual child. Dr. Greenberg explained that a smaller percentage of students are tested in China and elsewhere accounting for much of the differences in scoring.
- Board Member Tangney asked about how the more advanced readers are challenged, the role of librarians in the literacy program and the expansion of Read 180. Dr. Butera stated that every group benefits, librarians work with some of the groups, leveled libraries have a positive impact and the need for Read 180 on the elementary level.
- Board Member Guma expressed her concern with the writing initiative and wants to keep the momentum going at the HS. Dr. Butera said that there is a heavy focus on writing.

Public Comment

- Grace De Fries – 83 Kerrigan Street – asked if the assessments were going to be shared with parents and suggested it would be helpful for parents, along with reading lists. Dr. Butera responded that the assessments would be shared in the spring.
- Liza Ehrlich – 526 W. Olive Street – inquired about how the Read 180 program differs from other interventions. Dr. Butera explained that it is a pull-out/separate class program.
- Lynn Gergen – 511 Lido Blvd – commended the presentation, questioned whether Read 180 is in the HS or NIKE; asked about AUSSIE in the MS, and voiced disappointment that there was no presentation on the MS. Dr. Butera explained Read 180 is in the MS and HS, AUSSIE in 6th grade only and requested Mr. Anisansel include MS and HS in his 9th grade presentation.
- Jill Butensky – 38 Fairway Road – praised the presentation, inquired whether AUSSIE was presently being done at all of the schools and expressed her sadness at the retirement of Mr. Witkin. Dr. Greenberg suggested she speak to the individual principal for specific questions.
