- Board Member Gallagher asked about the current AUSSIE program (working on assessments) and the affect of Hurricane Sandy on the curriculum (moving from social emotional back to curriculum).
- Vice President Tangney questioned the availability of writing portfolios for parents (collaboration between teacher and parents) and what the future plans were for providing interventions for reading and math (Fundations, benchmarks in January, realignment for early supports, push-ins).
- Board Member Ryan reiterated his contention that good instruction is the key; feedback is lacking; teachers can ask for help; asked about the new nameplate for Mr. Graham (waiting for Dr. title soon); questioned whether FLES program is good use of time vs. more reading and math.
- President Lester questioned what has really changed in education since he went to school 45 years ago (higher expectations for all).
- Board Member Mininsky asked whether or not there was still a summer reading list (yes).

IV. President Lester called for Questions and Comments from the Public on Agenda Items Only.

- Johanna Sofield – President, Christmas Angel – 535 Grand Blvd – former student, Greg Golding, has raised almost $10K and has donated 5 laptop packages to needy students thru her organization; 60 beds in storage, supplied many staff members with needs; private tutoring available thru social workers; SAT concerns; thank you for partnership with school district; contact them to help.
- Jerry Hunt – 923 Oceanfront – has seen writing portfolios for both of his 2 second graders; recommended vigilance by parents; requested more expressive creativity in math.
- Linda Leer – 91 Reynolds Dr – asked about how units of study work; the training of teachers; consistency in training; suggested coordination amongst schools.
