SUBJECT: Sunflower Seed Butter Spread

As a healthy alternative to peanut butter, the office of Food Services is now offering sunflower seed butter spread "sun butter" at your school cafeteria. This product is peanut-free, tree-nut free, and gluten-free, making it an excellent choice for students with peanut allergies or gluten intolerance. We will start offering sun butter sandwiches next week. If you have any questions, please contact me at 897-2097.

Thank you for your support.
