

Long Beach Public Schools
235 Lido Boulevard, Lido Beach, NY 11561

Paul Romanelli, Ed.D.
*Assistant Superintendent for
Curriculum and Instruction*

September 2021

Dear Parents/Guardians:

The Long Beach School District uses Parent Link, an automated system that sends messages via phone and email. We use this system to notify parents of weather-related or other emergencies, and for reminders about important district events or issues.

If you have recently changed your email or cell phone, or if you have not yet provided them to us, please complete the information below and return to your child's school during the first week of school.

Thank you!

Dr. Paul Romanelli
Assistant Superintendent for Curriculum and Instruction

Student's Name, School, and Grade Level (please list all students if you have multiple children in the district):

Student's Name	School	Grade Level
